

Valencia is een unieke collectie kunststof meubelbekleding van een zeer hoge kwaliteit, die speciaal ontwikkeld is voor projectstoffering. Het materiaal is waterdicht en niet-luchtdoorlatend waardoor het uitstekend geschikt is voor gebruik in ziekenhuizen, bejaardenhuizen, schepen, vliegtuigen, hotels en andere toepassingen waarbij zware eisen aan het materiaal worden gesteld. Valencia is voorzien van PermaBlok3: een beschermingsvloeistof die is geïmpregneerd in de toplaag van het materiaal.

Eigenschappen

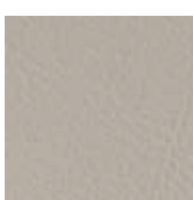

- 100% waterdicht
- Zeer sterk (300.000 toeren Martindale test)
- Bestand tegen lage temperaturen (-23 graden Celsius)
- Anti bacterieel
- Anti schimmel
- Anti vlek behandeling
- Anti statisch
- Gemakkelijk schoon te maken
- Vlam vertragend (EN1021 Part 1 &2)
- Urine bestendig
- Bloed bestendig
- Olie bestendig
- Zweet bestendig
- Speeksel bestendig
- Sulfide bestendig
